EN-133658

Symptoms of hormone imbalance are sparked by an imbalance of estrogen to progesterone, with estrogen being dominant. EstroSense® is a complete natural formula that helps maintain lifelong healthy hormone balance from puberty onward. EstroSense is the ideal hormonal health partner for women using oral contraceptives and those suffering from the symptoms of hormonal imbalance: acne, breast health concerns, exposure to xenoestrogens (pesticides, herbicides and toxins), endometriosis, fibrocystic breasts, heavy/flooding periods, PMS, ovarian cysts, uterine fibroids and more...
